NetEnt offers an air of luxury with the launch of Turn Your Fortune™ – With MAX version

Inspired by French Art Nouveau, Turn Your Fortune™ and Turn Your Fortune MAX offers players an experience of majestic grandeur, stunning collectable symbols and exciting game mechanics.

In this 5-reel, 4-row, 40-bet line slot game, the players collect French-styled golden symbols from the reels and go up the coin win ladder. The mechanic appears in both Fortune Re-Spins and Free Spins, and the players get wins both from the bet lines and from the Fortune Wins.

The Free spins features starts with a 3-tier Free Spins Wheel. When the Free Spins Wheel stops, the position of its tiers defines the number of Free Spins won (7 to 13), the collectable symbol in Free Spins and the starting Fortune Wins level (2, 3 or 4). The Fortune wins in Free spins can be up to 2000 times the bet.

The Fortune Re-spins pays up to 200 times the bet. And both Free spins and Re-spins can be triggered on the same bet.

Turn your Fortune follows Berryburst as the second release in NetEnt's MAX product line. MAX offer higher volatility and allows operators to cater to different player needs in different areas of their offering,

“Turn Your Fortune and its sibling Turn Your Fortune MAX offers great and innovative game mechanics. I'm sure players will have an exciting experience as they work their way up the Fortune ladder. The Art Nouveau-inspired theme with golden details and intricate décor, will

take players back to France in the late 19th Century,” **says Bryan Upton, NetEnt Director of Game Products.**
