NetEnt to launch with Buzz Bingo in the UK

World-renowned slots portfolio will soon be live with leading bingo brand.

NetEnt has taken its entire collection of online slot games live with Buzz Bingo, the UK's largest bingo operator.

After a successful integration, the supplier's most famous titles such as Starburst™ and Gonzo's Quest will soon be available to Buzz Bingo players, along with a host of slots which are top performers in the UK market.

The launch builds on NetEnt's prime position in the country's online gaming sector and allows Buzz Bingo to continue to diversify its product offering.

"As a top name in the UK, it's a great achievement to partner with Buzz Bingo and provide its customers with games that are known favourites among players," **said Andy Whitworth, NetEnt Chief Commercial Officer.** "Our portfolio offers not only well-known hits but also new releases that meet demands for exciting content and will no doubt be top performers on Buzz Bingo."

"It's great to finally have NetEnt content on buzzbingo.com. The games content is first class and resonates incredibly well with our player audience. I'm excited to see what one of the industry's very best content providers and Britain's best bingo company can do together!," **said Stevie Shaves, Chief Digital Officer at Buzz Bingo.**
